Artsrun Arshaluys Sargsyan

Date and place of birth	07.08.1983, Yerevan, Armenia
Education (beginning with IHE)	2000-2004, Student of Faculty of Physics, YSU 2004-2006, Master Student of Faculty of Physics, YSU 2006-2008, Post Graduate Student of RAU
Academic degree	Candidate of Phys.-Math sciences PHD thesis – “Nonlinear approximations by Faber-Schauder system and the greedy algorithm”, 2008.
Professional experience	From 2005 - present, Faculty of Physics, YSU From 2008- present, CANDLE Synchrotron Research Institute
Scale of professional interests	Beam and accelerator physics, advanced accelerator concepts, harmonic analysis and the theory of approximations.
Participation in grant projects (present and past)	2005-2007 - Grant- “01-00” from the Government of Armenia 2008-2010 - Grant- “45” from the Government of Armenia 2013-present - research project № SCS 13YR-1C0007
Languages	Armenian, Russian, English
Honors	RA President award in IT sphere 2007 RA President Award 2010
