

Example of a proposal

Title of Proposal: **The Study of Dynamic Processes in Semiconductors
using 5 MeV AREAL Electron beam**

Author: Prof. Peter Kurst, (Institution, Country)

Participants: Prof. Yan Hoffmann (Institution, Country), Dr. Oleg Dolgov
(Institute, Country), Ms. Elena Bogova (Institution, country)

Experimental Facilities: AREAL electron accelerator

Annotation: Description of the main approaches, originality and highlights of proposed experimental research. (Maximum 250 words)

E-mail: pkurst@swer.dr

Tel.: 094 445565
